PRAYERS & FOCUS

I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people – for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God our Saviour, who wants all people to be saved and to come to a knowledge of the truth. 1 Timothy 2:1-4, NIV UK

Prayer: Prince of Peace, we pray for the leaders and positions that make laws to govern our land and delegate our nation's resources. Grant them wisdom to allocate our resources wisely. Please raise up people who will make laws to protect our freedoms so that we can live peaceful, quiet lives in godliness and dignity.

"For lack of guidance a nation falls, but victory is won through many advisers." Prov 11:14

Prayer: We lift up the Prime Minister and all political leaders and their advisors. The Bible and history are full of examples of counsel to kings/leaders resulting in laws and decisions leading the entire nation toward peace and prosperity or toward division, destruction, and even collapse. We pray that You would give our leaders wisdom to surround themselves with counsellors who have our country's best interest at heart. Grant them wisdom in the course of action they should take. We pray that You would surround our leaders with sound, wise counsel to direct them as they lead our nation.

"Every kingdom divided against itself will be ruined, and every city or household divided against itself will not stand." Matthew 12:15

Prayer: As with the general political climate throughout the nation, members of government are fiercely divided into tribal political parties unwilling to work together and compromise for the good of the nation. We pray against this divisiveness that plagues our land. We humbly plead that, by your miraculous power, the members of political parties would put their agendas aside to work together in humility to serve for the good of our nation as our nation's leaders.

"Submit yourselves for the Lord's sake to every human authority: whether to the emperor, as the supreme authority, or to governors, who are sent by him to punish those who do wrong and to commend those who do right." 1 Peter 2:13-14

Prayer: Father God, we pray for our MP and our county and local officials. Grant them grace to face their unique challenges regarding political pressure, financial challenges, law enforcement, racial division and so on. Please give them insight into the needs of their communities and discernment to make decisions to lead their states and communities well.
